Forest Friends!

Want to help your child learn about their emotions at an early age? Come join us for an educational storytelling program called **Forest Friends** that will help students from kindergarten to second grade learn various social and emotional life skills. The students are told engaging stories from our Forest Friends puppets each session covering topics such as **feelings and communication, honesty and truth, respect, self-image and self-esteem, decision making and diversity.**

Every Tuesday

From January 2nd Until
