# Navigating the Children's System of Care (CSOC)

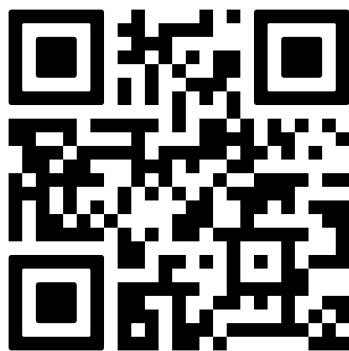

The Children's System of Care (CSOC) can be complex. Therefore, **learning how to navigate the different entities** can be essential in ensuring every child's needs can be met to **create a pathway to stabilization and healthy well-being**. The presentation will provide an overview of the **different programs within CSOC** and how to **gain access to them**.

***Join Us on January 31st!***

---

***Session 1***

12:00pm – 1:00pm

***Session 2***

6:00pm – 7:00pm
