Join us Thursday, April 18th at **Robert L**. **Craig School** for an informative evening at our **Spaghetti Dinner**.

Students, get ready to dive into sessions that'll help us address bullying head-on and spread some positivity around. We'll be sharing social skills for handling bullying and building stronger, healthier relationships.

For parents, we've got a special session just for you, focusing on cultural diversity and its importance in contributing to mental wellness. Can't wait to see you there!
